Yogesh Ananda

DETOX, HOLISTIC HEALTH, & LIFESTYLE COACH

@healthybyyogesh

@awakenappalachiaNC

@juiceboone

Yogesh is a holistic health, detox, and lifestyle coach, he has lead hundreds of people on his personally curated juice cleansing program as well as created personalized detox programs for clients suffering from chronic emotionalism, food addiction, and illnesses. He has also ran numerous group retreat programs both nationally and internationally, providing the highest level of learning at his workshops, in the areas of plant based nutrition, transitioning family diets, meal planning, hands on live food demos, raw foods, juicing, the yoga of eating™, fasting, etc.

Being the owner of a cold pressed juicery and raw food eatery in North Carolina. Yogesh has dedicated his life to scientifically pressing the most nutrient dense juice and making the highest level raw foods on the planet + facilitating an optimal level of health and happiness in the lives of his family and others.

While learning and expressing the generation of vital life force in the body you can experience a trimurti of his highly effective teachings that are not only physically detoxifying but also emotionally cleansing and metaphysical by nature.

Yogesh's specific combination of whole self detoxification is geared towards detaching from the negative energies that are surrounding these three areas. By this intuitive application, his clients are left feeling physically lighter, as well as more grounded, inspired, and renewed with accelerated motivation towards their health goals.

The Yoga Of Eating™

Raw Chef Certification

4 day one-on-one certification program + make raw desserts + learn the raw food basics + raw juice 101 + fully raw meals + hands on training + health industry marketing tools + certificate of completion

If you think eating raw needs tons of **discipline** or **willpower**...then you just haven't learned how to make great food yet!

Raw food shouldn't be about complicated shopping lists... long hours in the kitchen... or the same set of "boring" foods every day of the week. It should (and can!) be just as interesting and exciting as the health benefits.

But making amazing, delicious - and simple - raw food isn't always easy **but now** there is a **training program** that can easily integrate raw foods into your life

Join Yogesh for a week in beautiful Boone North Carolina for an intensive Raw Chef Certification Training Course. (Living accommodations not included but lunch is)

Take a short 4 days out of your busy schedule to become a certified raw food chef. Learn the techniques and recipes that could be the backbone of your new career or personal health journey in the beautiful setting of the blue ridge mountains.

- + Learn the basics of “un-cooking”
- + Make and prepare fully raw meals
- + Master the art of raw desserts
- + Intro to Dehydrating and Blending
- + Make raw sauces and dressings
- + Learn raw juice 101
- + make and preserve an enzyme rich nutrient dense juice
- + Advanced level marketing techniques to get you and your food placed at local events, catered to programs, and hired by the elite
